

# Resilience Roadmap

*A Collaborative Approach to Multi-Jurisdictional Planning*

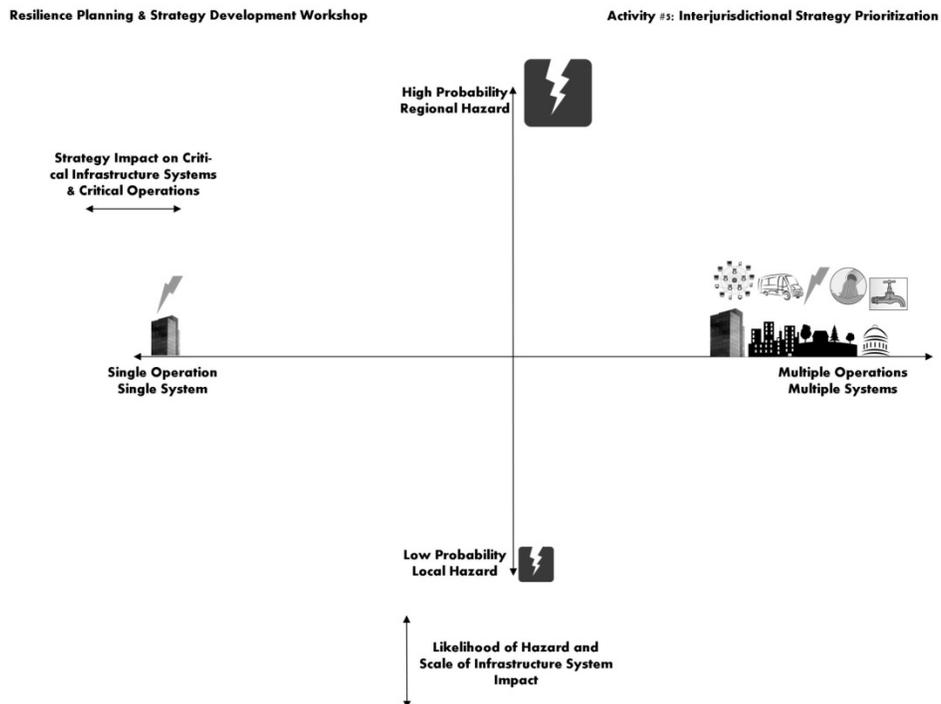

## Activity 5: Strategy Prioritization

### Discussion Questions:

- Where should focus be placed on the implementation of identified strategies?

### Discussion Tools:

- EPA's Risk Based Model Risk-Based Ranking of Actions (Pg. 91)  
[http://www.epa.gov/sites/production/files/2014-09/documents/being\\_prepared\\_workbook\\_508.pdf](http://www.epa.gov/sites/production/files/2014-09/documents/being_prepared_workbook_508.pdf)
- NIST Community Resilience Planning Guide Vol. II Sector Worksheets  
<http://www.nist.gov/el/resilience/guide.cfm>
- The following worksheet is available for facilitators to frame and record the conversation.

Activity 5: Sample worksheet for facilitators (printable, full-size version on back)
